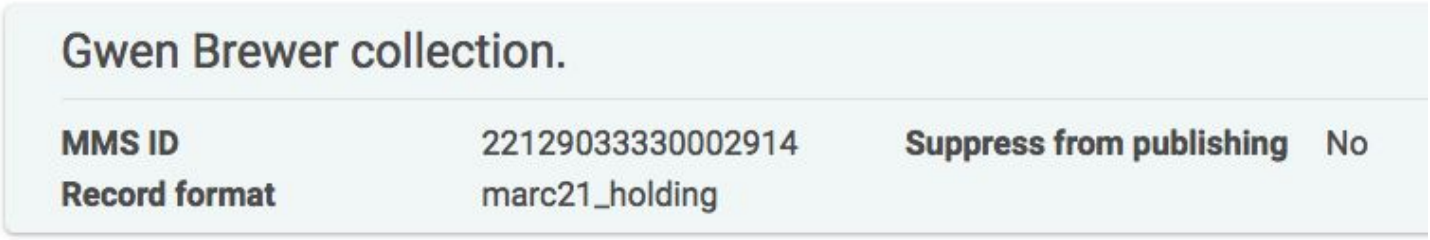
Resource Management

discussion topics:

- Updating OCLC holdings for a campus' ebooks. are campuses doing this? Are campuses lending ebooks (depending on licensing) via resource sharing/ILL?
- For Special collections materials, where to input donor/gift info? In the bib or item or both?
- Which campuses use 974 local field to track who cataloged a record.
- In the Marc holdings record, does your campus use shelving control numbers?



Gwen Brewer collection.
